Schematic Design

OLYMPIC HILLS COMMUNITY POCKET PARK

27th Avenue NE - Lake City Greenway
- Kid-friendly Art
- Climable art work with riparian creature themes distributed throughout

28th Avenue NE
- Path
  - Crushed rock
  - Log-lined
- 28th Ave Entry
  - Entry posts
  - Gathering area/lawn
  - Seat boulders and logs
  - Kiosk

Path
- Crushed rock
- Log-lined

Biofiltration Garden
- Make use of slope to divert flow from west ditch to biofiltration garden
- Stepping stones

Outfall Learning Space
- Artistic spout at outfall
- Seat logs + boulders

Native Berries Space

Stepping Stone Crossing

Cottonwood Space

Fern Space

Simple wood bridge over re-routed west ditch

Native Berries Space

Stepping Stone Crossing

Creek
- Daylight creek
- Water gauge boulder
- Simple elegant wood bridge
- Boulder with interpretive watershed map
- Transform east ditch into bioretention swale

28th Ave Entry
- Entry posts
- Gathering area/lawn
- Seat boulders and logs
- Kiosk

Greenway Entry
- Entry posts
- Gathering area back from street
- Retain gathering area with boulders
